Under the provisions within the GNAS Protection of Children and Vulnerable Adults Policy, those who wish to take photographs at this event are to register with the organisers on arrival. Whilst every effort will be made to ensure that unauthorised photography does not take place, KMAC, the organisers and working party cannot be held responsible for breaches of this code. We therefore request that you report any unauthorised photography directly to the organisers.

This is a Record Status event therefore the current GNAS dress rule must be observed by all competitors.

The KMAC venue is a shared facility; as such, lost arrows cannot remain unaccounted for. To minimise the risk of undetectable arrows being left on the sports field, archers wishing to use all carbon arrows are requested to identify their equipment to the organisers at registration and also on departure.

Please book in at reception when you arrive, failure to do so may mean that your place is reallocated if the tournament is full and archers turn up on the day.

GNAS cards will be checked when booking in, so please have your card ready.

KMAC is a proud supporter of the Derbyshire, Leicestershire & Rutland Air Ambulance; voluntary donations to this charity are welcome at the refreshment tent
